School Theme: Jeremiah 29:11 "For I know the plans I have for you, declares the Lord,"

Boarding School

We have boarding facilities for the upper primary school pupils for both boys and girls. We have a homely environment where the children are taken well care of. We aim to help our students grow in all spheres of life as they are taught how to take great care of themselves as they become responsible citizens

Brookhill School is a mixed day and boarding Christian values anchored school that has produced many well rounded pupils since 2002. We have a history of excellence and we are the right choice for future leaders, innovators and those that bring change to the society. We have had doctors, lawyers, engineers, teachers and other professionals come from our school.

Co-curricular activities

Our pupils are encouraged to take part in different co-curricular activities in the school such as games and sports, scouting, clubs, computers, music and drama club activities. We also organise different educational trips that help to widen the scope of knowledge of our pupils. These activities also help to balance out the pupils' academics.

Our Mission:
Education excellence at every level for every child , enabling the institution to achieve a regional and even global positive impact.
